## SERIOUS INCIDENTS

Regulation 12 defines a serious incident involving the death of a child as:

(a) The death of a child –

I. while that child is being educated and cared for by an education and care service, or

II. following an incident occurring while that child was being educated and cared for by an education and care service;

## NOTIFICATION OF A SERIOUS INCIDENT

Under the National Law and Regulations (Section 174(2) (a) and Regulation 176 (2) (a)), the approved provider must notify the regulatory authorities within 24 hours of any serious incidents. This must be done by logging into the National Quality Agenda IT System (NQA IT System).

## KEEPING CHILDREN'S RECORDS

In the event of the death of a child whilst being cared for at the Service, records must be kept for 7 years from the date of the child's death. [Regulation 183 (c)]

## INITIAL ACTION AND IMPLEMENTATION OF POLICY

1. Management and Educators will ensure that immediate and appropriate action is taken in the event of the death of a child whilst at the Service by following and implementing the following procedures: 1. Assess the situation as per service and First Aid procedures for any immediate danger to other children and/or staff.

2. Provide immediate First Aid and/or CPR in accordance with current First Aid training.
3. Call emergency services immediately and request an ambulance
4. Management/Responsible person will call the parents/guardian of the child and arrange to meet at the hospital.
5. The Service must not advise parents of the death of their child: Medical staff will advise families of the situation.
6. Notify Regulatory Authorities including the Police Department.
7. Notify the Approved Provider (if not at the service).
8. The Responsible person will complete in detail the Service's Incident, injury, trauma and illness form (in addition to notifying ACECQA via the NQA IT System). The Approved provider will log the incident on the NQA IT System, attaching incident form and evidence
9. Management/Approved provider will contact the insurance company.

#### **MANAGEMENT WILL:**

- ensure parents, families, children and educators receive adequate and appropriate post-incident support
- demonstrate sensitivity, open mindedness and a balanced approach
- recognise and support cultural needs
- ensure all evidence is preserved
- maintain accurate and detailed record keeping
- contact their legal representative for support and direction
- establish protocols for staff and Educators to discuss the traumatic event

- advise staff of social media protocol for the event
- provide professional and sensitive communication with families of the Service
- engage the services of health care professionals (counselling and support for staff)
- cooperate on an ongoing basis with inter-agencies involved in the investigation.

## **CARING FOR THE WELLBEING OF EDUCATORS, CHILDREN AND FAMILIES**

Our Service will engage health professionals who may include child and family counsellors and psychologists to support our Educators during this profoundly difficult time. Health professional will assist Educators to be sensitive and mindful of the impact such an event has had on all stakeholders. With professional guidance and support, we will encourage children to express their emotions and feelings and implement strategies to assist and guide children's process of grieving and re-engage children in learning.

### **Educators will support children's understanding of grief and loss by:**

- answering questions simply and honestly.
- allowing children to express their emotions and feelings.
- provide appropriate comfort.
- implement a range of learning experiences to express their thoughts- drawing, movement, play.
