Aim

That a Responsible Person is on the premises always to ensure the health, safety, wellbeing, learning and development of all children at the service is maintained at all times.

DEFINITIONS

Name	Definition
Nominated Supervisor	A person with responsibility for the day to day management of an approved service. The Nominated Supervisor has a range of responsibilities under the Law and Regulations that govern the operation of education and care services.
Responsible Person	A person who is physically at the Service and has the role of Nominated Supervisor or duly appointed person. The Responsible Person has consented to be placed in day to day charge of the Service but does not take on the responsibilities of the Nominated Supervisor rather they ensure the consistency and continuity in practices.

Implementation

A Responsible Person will be on the premise at all times, and the details of the Responsible Person will be readily available to families & visitors.

If the responsible person needs to change, they will 'hand over' obligations for the role to another duly appointed person at the Service. It is vital that the Responsible Person is documented when taking over this position. The process for determining the Responsible Person will be clear to all educators and staff and followed at all times. Both the old and new Responsible Person will converse directly and ensure the name of the Responsible Person presented at the Service appropriately reflects who presently holds the position.

Our Centre will have one Responsible Person present at all times when caring for and educating children.
